OVERVIEW

*From Lebanon
to Romania!*

In its 7th year, the BLIS Experience Summit stands as a beacon of excellence.

This year, we're taking our commitment to innovation and growth to new heights with an exciting event focused on the future of life insurance.

Join us at Hotel Alpin Poiana Braşov from April 4th to 5th, 2025, where we'll delve into the latest advancements in investment strategies for life insurance products.

Your choice to be a part of BLIS Experience Summit is a choice for innovation, knowledge, and growth. We can't wait to share this experience with you and make lasting memories!

Thank you for choosing BLIS. Your presence will make this journey even more exceptional. Let's create something unforgettable together at BLIS EXPERIENCE Summit 2025!

See you in Braşov, Romania!

THEME

*From Lebanon
to Romania!*

Empowerment through insurance is amplified by **‘Stronger Wings, Wider Horizons’** — a mantra that encapsulates our mission.

To thrive in the skies of success, you need **2 strong wings**: insurance for stability and partnering with professionals across industries to broaden our network and growth.

Through strategic tech alliances, we enhance capabilities and perspectives, propelling collective growth within the dynamic tech ecosystem.

With insurance as our shield, we fearlessly explore new ventures and **wider horizons**, invest in our futures, and pursue success, knowing we have the backing of a supportive network and the promise of resilience.

KEY COMPONENTS

*From Lebanon
to Romania!*

- **Financial Planning and Wealth Solutions Summit:** The heart of the event is a summit that brings together a diverse array of experts and professionals from various industries. Topics covered include life insurance in relation with investment strategies, real estate trends, legal considerations, audit practices, and other comprehensive wealth solutions.
- **Global Representation:** Anticipating a robust attendance of up to 500 individuals, the BLIS Experience Summit is designed to be a global gathering. Participants will hail from at least 20 different countries, fostering an international exchange of ideas and practices.
- **Collaboration with International Organizations:** Following and adapting to esteemed international organizations ensures that the event maintains a high standard of expertise and credibility in the financial and wealth management domain.
